Therefore, the District retains all rights it had prior to the making of this Agreement except as specifically provided in this Agreement.
- Section 2 Among those rights the district retains, without limitation except as provided above, are the right: to manage District operations and to direct and assign the work force; to determine and change the methods and manner services are provided; to introduce new methods or improved methods of instruction, operations or equipment (including on-line/distance learning); to determine and change the size, composition and qualifications of the work force; to determine the curriculum and means for educating students, including determining class size; to determine qualifications; to determine and modify the size of the workforce, including the right to determine when vacancies exist and the means for filling vacancies; to determine the extent to which and the manner and means its business will be operated or shut down in whole or in part; to determine whether and to what extent any work shall be performed by employees and how it shall be performed; to maintain order and efficiency in the school facilities and its programs including the right to select, hire, promote, schedule, demote, discipline, lay off, assign, transfer, train and.

Section 3 The District shall retain the sole right to suspend, discipline and discharge employees subject only to the express and specific terms of this Agreement. All employees are subject to, and are expected to adhere to and comply with, District policies and procedures as in effect from time-to-time except to the extent they are contrary to the express terms of this Agreement.

ARTICLE 3 – EMPLOYEE AND UNION RIGHTS

Section 1 The provisions of this Agreement represent the wages, hours, and terms and conditions of employment negotiated between the Board and the Union pursuant to the Public Employment Relations Act, Act No. 336 of the Public Acts of 1947, as amended.

Section 2 The Union shall have the right to use the school buildings and facilities at reasonable hours outside of the regular schools hours for meetings providing that arrangements are made sufficiently beforehand (normally at least five work days) with the building principal or appropriate administrator and such use does not interfere with the regular school or scheduled school activities. The Union agrees to promptly pay the District for any labor costs incurred by the District due to the Union's use of the facility, including the cost of any custodial or maintenance staff the District requires to be present during such use.

Section 3 Bulletin board, e-mail and mailboxes shall be made available for the Union's reasonable use for official Union business. Such use must conform to District policies and procedures, and shall not be used to disparage the District or its staff or programs or to interfere with District operations.

Section 4 The District recognizes the principle of progressive discipline. Progressive discipline shall mean a progression whereby the discipline may become more severe with each subsequent instance in which discipline is determined to be appropriate. The steps of progressive discipline include, but are not limited to,

(1) discussion of the problem or a verbal reprimand with written documentation, (2) written reprimand, (3) suspension, and (4) discharge. The level of discipline given in any instance shall be determined by the District, including immediate discharge.

Section 5 Any formal disciplinary reprimand or other disciplinary action shall be issued in private.

Section 6 Any disciplinary document or individualized counseling or corrective directive placed in an employee's personnel file shall be shown to the employee before it is placed in the file. Complaints by non-District employees shall also be shown to employees before being placed in the file. Employees may review the contents of their personnel file in accordance with and as required by Act 397 of the Public Acts of 1978, as amended, and the employee may opt to have a Union representative present during such review(s). An employee may submit a written rebuttal of up to one page with regard to the substance of any document in the personnel file, as allowed by Act 397.

Section 7 Employees shall wear clothing and otherwise present themselves in a manner that is professional and appropriate for their assignment. If the District determines that an employee's appearance is inappropriate, the employee shall be counseled and may be sent home (off the clock) to change. Further instances of such conduct may subject the employee to more formal action, including discipline.

Section 8 The District shall endeavor to provide adequate off-street parking for employees to the extent determined feasible by the Board.

ARTICLE 4 – PROBATION AND OTHER JOB STATUS

Section 1 All new employees shall serve a probationary period of at least the first 90 days of work for the District. The District may, in its sole discretion, extend the orientation period by up to another 30 days of work if it believes further time is necessary to determine the employee's suitability for the position. During a probationary period, employees who are eligible to accrue vacation days shall not be entitled to utilize those days.

Section 2 An employee who satisfactorily completes his or her probationary period shall be granted seniority retroactive to the date of the employee's most recent date of hire. Employees with seniority may only be disciplined for just cause. If just cause is found, the District's determination of the appropriate level of discipline shall stand.

Section 3 Among the actions which may, as deemed appropriate by the District, result in and establish just cause for discipline shall include, but shall not be limited to: abuse of authority; neglect of duties; conduct which may impugn or disparage, or does impugn or disparage the District; inappropriate conduct directed at students, parents, staff, or the general public; insubordination or other disrespectful conduct; dishonesty, misappropriation of funds, theft or assault; being impaired by alcohol or illegal drugs while on duty, or illegally using or possessing drugs and narcotics, possessing alcohol at any worksite, or violating the District's substance abuse policy; failure to pass a required drug or alcohol test; smoking at any worksite, work activity or in a

- Section 4 The District may place an employee who has been arrested on unpaid leave if, in its judgment, having the employee work while criminal charges are pending may be contrary to the best interests of the District. In such cases, reinstatement after conclusion of the criminal proceeding, if not convicted or plea bargained, may occur at the District's discretion and subject to the availability of a position for which the employee is qualified to fill.

ARTICLE 5 – WORK SCHEDULES AND OVERTIME

- Section 1 The normal scheduled workweek for regular full-time employees shall not exceed 40 hours. Schedules and hours may vary by position/assignment.
- Section 2 Each employee working at least 6 hours during a workday, other than Associate Teachers, shall be allowed a daily, minimum 30-minute duty-free and unpaid meal period unless otherwise approved by the District. Associate Teachers who are not provided daily 30-minute duty free lunches shall be provided with at least 2.0 hours of paid release time for each full week of work, to be taken on the Friday afternoon of that workweek. Said release time for Associate Teachers shall be prorated for partial weeks of work.
- Section 3 Employees who work a school year schedule shall normally work on days their respective school programs are in regular session and as otherwise scheduled by the District. Whenever the schools are closed due to inclement weather, all employees shall not be required to report to their job assignments and shall suffer no loss of salary. Certain employees may be designated as the “Emergency Work Force” and will be expected to report to work. “Emergency Work Force” employees shall be paid for the same period as those not reporting to work, and additionally shall receive straight pay for hours worked equal or less than 8 hours. Pay for snow day hours paid but not worked will not be counted toward over-time.
- Section 4 a. Custodial overtime, i.e. work within the custodian’s list of assigned duties; will be offered to custodial staff pursuant to the following order of preference:
1. Custodians who have signed their name to the overtime list.
 2. Custodians regularly scheduled in the building where the overtime is to take place.
 3. Lowest number of overtime hours accumulated amongst eligible custodians.

An email will be sent, prior to the start of each new school year, asking who would like to be included on the custodial overtime list. Only those custodians who reply and indicate they would like to be included on the overtime list will be eligible for overtime for the year.

Should no custodial staff volunteer to work overtime, it shall be compulsory starting with the lowest senior custodial staff member.

Overtime will be offered to all custodians via email from the Custodial Supervisor or Director of Facilities. After receiving email notice of overtime, staff will have 24 hours to reply and ask to be considered for the overtime. Actual overtime hours worked, refusal of overtime, and no response will be counted as overtime worked for the purposes of calculating who has the lowest accumulated total of overtime. If an employee is off from work on the day the overtime is offered their lack of response will not count as hours of overtime worked. Overtime totals pursuant to the above guidelines will be updated following each overtime offering and sent to all eligible staff via email bi-monthly.

- b. All unit employees will receive overtime pay under the following conditions:
 - 1. Time and one-half (1½) for all authorized hours worked over (8) hours in any one day worked, unless working an authorized four ten hours shifts. Hours exceeding (10) in one day for those working the four ten schedule, will be paid at time and one-half (1 ½).
 - 2. Time and one-half (1 ½) for all authorized hours worked 40 hours in any one work week. Holiday and Vacation hours will count as hours worked during the week for purposed of calculating total hours in a week, but PTO time will not.
 - 3. Time and one-half (1 ½) for all authorized hours worked on a Holiday. It is noted the bargaining unit member will receive their regular holiday pay and the additional time and one-half (1 ½) for the hours.

c. Use of Temporary Workers

Temporary staff shall not be used to circumvent the distribution of overtime otherwise eligible to be performed by unit employees on weekends. Temporary staff may be used as substitutes to fill vacancies Monday through Friday.

Section 5 Employees who are called to and actually work outside of their regular daily schedules shall be paid a minimum of 2 hours for said call-in, provided said work is not immediately prior to or after their respective shifts for those days. Employees may be required to work at least 2 hours during call-in periods.

Section 6 Employees who are called in to work on a holiday or a weekend day on which they are not regularly scheduled to work will be paid at the rate of 1.5 times their regular rates of pay for such hours worked, if they are not otherwise entitled to overtime premiums for such work. Approval for an employee to work on holidays or unscheduled weekends must be obtained from the employee's supervisor in advance to be eligible for premium pay.

- Section 7 All overtime worked by employees must be approved by the applicable supervisors in advance. Management may flex schedules during a workweek to avoid employees from working overtime.
- Section 8 Employees are not to work prior to their schedule start-times, or after their schedule end-times, if applicable, without the prior permission of their supervisor, and without properly accounting for that work time in the time recording system. Employees are also not to perform any work during their meal periods without the prior permission of their supervisor.
- Section 9 Any time worked prior to a normal start-time or after a normal end-time, during a meal period, or from a remote location (approved in advanced by management) must be accurately recorded, however, and will be paid. All time must be accurately recorded by all employees. The District's payroll system presumes that full-time employees work their full 8 hour workdays. Any deviations from this must be properly and accurately recorded by the employee. No employee may work off-the-clock at any time, for any reason. No supervisor has the authority or right to allow, permit or require any employee to not record all time worked.
- Section 10 Associate Teachers will return to work when Lead Teachers return for the beginning of the school year.
- Section 11 Transportation employees work week shall be Monday through Friday. Drivers and Monitors working both an a.m. and p.m. route shall be guaranteed four (4) hours of work per day; if an employee works only an a.m. or p.m. route the employee shall be guaranteed two (2) hours work; and if an employee works a midday route the employee shall be guaranteed one (1) hour work, including any applicable required pre-trip and post trip duties. All work performed by a driver or monitor on a given day shall count toward meeting the daily guarantee. The district reserves the right to assign other work to the employee in order to meet the guarantee.
- Section 12 Parent Teacher Conferences – If an Associate Teacher or a Paraprofessional attend parent teacher conferences they shall receive comp time for hours attended.
- Section 13 Preschool Friday Compensation

Preschool staff work Monday through Thursday with no breaks or planning time to meet the Licensing and Regulatory Affairs (LARA) guidelines. Due to this practice all preschool staff get a ½ day for planning and a ½ day for lunch on Fridays. In the event that Preschool has students on Friday to adjust for necessary hours of instruction preschool staff will be compensated at their regular hourly rate for those functions in addition to their regular compensation for those hours. All Preschool staff must report for their allotted preparation time on Friday.

If the district schedules professional development on Friday's, Preschool staff will be compensated at their regular compensation a full day for a full day and a half day for a

half day in addition to their regular salary. Staff must be present at professional development to receive compensation. Timesheets will be submitted to payroll by the building administrator to validate these extra hours.

Fall home visits are built into the preschool calendar prior to face to face instruction. If the district schedules spring home visits on Fridays, staff will be compensated. Preschool staff will be compensated at their regular compensation for the day in addition to their regular salary. Staff must be present at home visits to receive compensation.

ARTICLE 6 – REDUCTIONS IN WORKFORCE AND RECALLS

- Section 1 Discontinuance of a program, loss of funding, loss of enrollment, or other circumstances may result in layoffs, if deemed necessary by the District. Layoff is defined as a reduction of staff not primarily related to the performance or competence of the employee. Recognizing that all positions are not interchangeable, a laid-off employee maybe reassigned or transferred to other programs or positions if the position is available and the employee has the qualifications to perform the job without significant training.
- Section 2 Layoffs will occur within the job classification(s) being reduced with probationary employees, if any, to be laid-off first, and then employees with seniority in the reverse order of seniority.
- Section 3 Unless otherwise required by law, the District will endeavor to give employees being laid off a prior notice of at least thirty (30) calendar days. Subject to Section 4, below, the District reserves the right to reinstate any employee affected by a reduction in workforce as deemed appropriate by the District. Wages and benefits shall terminate upon the effective date of a layoff, subject only to the employee's rights under COBRA.
- Section 4 Employees laid-off may be subject to recall during the eighteen (18) months following the layoff. Employees with seniority will be recalled to vacancies in the classification they held at the time of layoff in the inverse order of layoff and before said openings are filled with other employees on a regular basis. If an employee is recalled to a job which is substantially different in job classification than that held when laid-off, the employee may turn down that recall. Otherwise, an employee recalled must report to work within two weeks of the issuance of the recall notice. Failure to report as required will result in a waiver of any right to future recall. Recall notices under this provision shall be made by certified mail to the employee's last known address as reflected in the District's records. Notices shall be deemed tendered upon mailing. At the time the notices are sent, the District will also provide the Union with written or email notice of employees who have been recalled.

ARTICLE 7 – JOB OPPORTUNITIES

- Section 1 If a vacancy occurs in a regular position covered by this Agreement, and the District chooses to fill that vacancy, the job will be posted for a period of five (5) work days (excluding Saturdays, Sundays and holidays). Should the filling of a vacancy under this Article create a second vacancy, that vacancy shall be filled under this Article, as well. Subsequent vacancies created by application of the above, however, need not be posted. Employees will be sent copies via email of each new posting required by this provision, or a notice of each of those postings, when it is made.
- Section 2 Any employee who wishes to apply for the open position shall do so in writing during the posting period, if applicable. The District will consider all applications received, and will fill the position as it deems to be in the best interest of the District.
- Section 3 In the interest of maintaining continuing operations, the District may temporarily assign an employee to a vacant or new position until the job is filled according to this Article. Employees so assigned will receive the higher of the base hourly wage available to employees regularly assigned to that position.
- Section 5 Working out of Classification
In the event that unit employees perform the type of work of higher paid unit employees, they shall receive the pay rate of the classification that they are working under at the first step level or their current rate of pay, whichever is higher.
- Section 6 Notice of Opening
All job openings in the Facilities Department will be posted on the district website and current district employees, in good standing, who apply and who are qualified, will be considered.

ARTICLE 8 – EVALUATIONS

- Section 1 All employees are subject to being informally evaluated on a daily basis. Supervisors and employees are strongly encouraged to discuss job performance and goals on an informal, day-to-day basis. Additional formal performance evaluations are normally conducted annually to provide both supervisors and employees the opportunity to discuss job tasks, identify and correct weaknesses, encourage and recognize strengths, and discuss positive, purposeful approaches for meeting goals. New employees are typically evaluated more frequently while serving probationary periods. The evaluation instruments utilized and criteria as in effect from time-to-time will be set by the District, but only after providing the Union with the opportunity to provide input regarding those instruments and criteria. Employees will be provided with a copy of the evaluation instrument to be used with respect to a future evaluation period no later than the beginning of the applicable evaluation period.
- Section 2 Employees shall sign their formal written evaluations. The appearance of the employee's signature shall not necessarily indicate agreement with the contents of the evaluation. If the supervisor has not otherwise met with the employee to discuss the formal written evaluation, the employee may request to meet with the supervisor within 10 working days of the employee's receipt of the formal written evaluation.

Section 3 An employee who receives feedback of less than satisfactory on one or more criteria on the employee's formal written evaluation and who is not on a performance improvement plan, may request his or her supervisor to perform a written evaluation with respect to the criteria rated less than satisfactory within 3 to 6 months following the date of the most recent formal written evaluation. Such a request shall be made to the supervisor, in writing, no later than the fourth month following the date of the formal written evaluation at issue.

ARTICLE 9 – GRIEVANCE PROCEDURE

Section 1 Purpose and Definitions

- a. For purposes of this Agreement, a grievance shall mean a claimed violation, misinterpretation or misapplication of any provision of this Agreement or the challenge of any disciplinary action taken against an employee who has successfully completed his or her probationary period. This procedure is the sole recourse employees shall have over such matters.
- b. The term "work days" as used in this Agreement shall not include Saturday, Sunday and holidays (as observed by the District). Vacations during the District's traditional academic year (i.e., not the break between traditional academic years) are considered "holidays" for purposes of this provision.

Section 2 Time Limits

The number of days provided for in the presentation and processing of grievances in each step of the grievance procedure shall establish the maximum time allowed for the presentation and processing of a grievance. The time limits specified, however, may be extended by written mutual agreement between the District and the Union.

- b. The failure of a grieving employee to proceed to the next step of the grievance procedure within the time limits specified shall be deemed an acceptance of the decision previously rendered and shall constitute a waiver of any future appeal concerning the grievance. The failure of the District to answer a grievance within the time limits specified shall permit the grieving employee to proceed to the next step of the grievance procedure.
- c. No grievance may be filed or processed based upon facts or an event which have occurred more than 10 work days before the grievance is reduced to writing or, if the employee is not in a position to know of the facts or event when it occurs, then within 10 work days from when the employee reasonably should of known of the facts or event (but no longer than 20 work days).

Section 3 Procedure

All grievances shall be presented and processed in accordance with the following procedure:

- a. Step One — Any employee having a complaint, or an employee designated by a group of employees having a complaint, shall discuss the complaint with the employee's supervisor.

- b. Step Two -- If the grievance is not resolved at Step One, the grievance shall be reduced to writing and presented to the employee's supervisor within 10 work days from the date of the facts or event giving rise to the grievance occurs or, if the employee is not in a position to know of the facts or event when they arose, then within 10 work days from when the employee reasonably should of known of the facts or event (but in no event longer than 20 work days). The written grievance shall be signed by the grieving employee and shall set forth the nature of the grievance, the contract provision(s) alleged to have been violated, and the adjustment sought if known. The employee and the supervisor (or designee) shall meet to discuss the grievance. The supervisor shall give a written decision to the employee within 10 work days after receipt of the grievance.
- c. Step Three -- If the grievance is not resolved at Step Two, the grieving employee must refer the grievance, in writing, to Human Resources within 10 work days after the completion of Step Two. A Human Resources designee may meet with the grievant to discuss the grievance. The Human Resources designee shall give a written decision to the employee within 10 work days after receipt of the grievance.
- d. Step Four -- If the grievance is not resolved at Step Three, the grieving employee must refer the grievance to the Superintendent within 10 work days after the completion of Step Three. The Superintendent (or designee) may meet with the grievant to discuss the grievance. The Superintendent shall give a written decision to the grievant within 15 work days after receipt of the grievance. The Superintendent's decision shall be final and binding unless the matter is subject to and appealed to Step Five (arbitration), below, in a timely manner.
- e. Step Five -- Except as limited below or otherwise provided in this Agreement, any grievance arising during the term of this Agreement, only, which is not resolved at Step Four may be submitted to arbitration by the Union submitting a written request therefor to the District's Superintendent within 15 work days after the completion of Step Four.
 - (i) Only the Union (i.e., no individual grievant) may move a grievance to Step Five.
 - (ii) No grievance regarding the discipline or termination of a probationary employee or any other matters specified in this Agreement as not being grievable shall be within the arbitrator's jurisdiction.
 - (iii) Following the written request for submission to arbitration, representatives of the District and the Union shall attempt to agree on the selection of an arbitrator. If mutual agreement on the selection of an arbitrator cannot be reached within 20 work days after the date of the receipt of the request for arbitration, then within 10 work days, the Union shall submit the grievance to the American Arbitration Association for processing. Upon a timely submission, the arbitrator shall be selected by alternating the option to strike names from a list of nine neutral arbitrators provided by the office of the American Arbitration Association responsible for administering labor arbitrations for southeast Michigan.
 - (iv) The hearing shall be conducted in accordance with the Voluntary Labor Arbitration Rules of the American Arbitration Association. At the time of the

arbitration hearing, either party shall have the right to examine and cross-examine witnesses.

- (v) Neither party may assert a contractual claim or basis in support of its position which was not presented during an earlier step of the Grievance Procedure, but timeliness may be raised at any time.
- (vi) The arbitrator's fee and expenses shall be borne equally by the parties to the proceeding. Each party shall be responsible for expense and compensation of its own witnesses or required participants. However, witnesses who are employed by the District shall be released from their duties to the extent necessary to participate as a witness or an aggrieved party to an arbitration proceeding at no expense to the Union. The Union agrees to keep the release time for witnesses to a minimum. Any other expenses, including transcript costs, shall be borne by the party incurring such expenses.
- (vii) The arbitrator shall have no power to: (a) add to, subtract from, alter, or in any way modify the terms of this Agreement; (b) establish or modify any wage rate or benefit; (c) address any grievance of a probationary employee, (d) make any decision on any case in which the grieving party has alleged a violation of the Public Employment Relations Act, unless deferred to or ordered by MERC, or (e) construe this Agreement to limit the Board's discretion and rights except only as that discretion and those rights may be specifically limited by the express terms of this Agreement.
- (viii) The arbitrator shall render a decision as soon as possible following the hearing. Decisions of the arbitrator, subject to the limitations set forth in this Agreement, shall be final and binding on the Union, its members, the employee or employees involved and on the District. Any award of back compensation shall not predate the date of the grievance by more than 10 days except to the extent the ability to file a grievance earlier was solely caused by the District. Any award of back compensation shall be offset by all earned income received during the applicable period (including all disability, unemployment and other pay received), as well as being fully adjusted by any failure on the individual's part to attempt to mitigate his/her damages. Interest, punitive damages and attorney fees shall not be awardable by the arbitrator.

Section 4 The Union shall have the right to initiate a group grievance on grievances involving more than one employee at Step 3 of the grievance procedure within 15 days of the event giving rise to the grievance.

Section 5 It is understood that each employee is subject to an individual agreement to arbitrate disputes the employee may have with the District. The right to arbitrate per those individual agreements is subordinate to the right to arbitrate disputes under this Agreement. Therefore, any dispute which may be grieved under this Agreement must be processed through this Grievance Procedure and only this Grievance Procedure, and shall not be subject to any other grievance procedure or arbitration agreement.

Section 2 Vacations

- a. Only Full Year employees (that is, employees who are not assigned to work an Academic Year schedule) are eligible for paid vacation time. An eligible Full Year employee's entitlement to earn vacation is based on the most recent employment anniversary date, per the following schedule. Employees that leave the District and return to the District at a future date will be treated as new employees for the purposes of vacation leave. For the purpose of this provision, employees who worked for either the Ypsilanti Public Schools or the Willow Run Community Schools as of June 15, 2013, but hired by the Ypsilanti Community Schools prior to September 1, 2013, shall use their most recent hire date by that employer as a full-time employee. Academic Year employees and other employees who are not classified as Full Year employees are not eligible for paid vacation.
- b. Full-time (Full Year) employees are eligible for paid vacation time as follows:
1. Date of Hire until the end of the 4th Year of Continuous Service: After one month of service, and upon completion of each additional month of service through the end of the 4th year of service, vacation is earned at 6.67 hours per month of service for a total of 80 hours per full year of service.

At the successful completion of this period, vacation accrual is retroactive to the date of hire,
 - e. Vacation time for eligible Full Year employees is earned at the end of each full month of service. It is not earned during any month during which an unpaid leave of absence is taken, or during a paid leave that exceeds a maximum of 30 calendar days. Upon return to active status, regular accrual of vacation resumes.
- f. Scheduling and Maximum Accruals
1. Selection of vacation dates must be scheduled and approved by the Full Year employee's supervisor before becoming effective. Vacations will normally not be approved during designated black-out periods, not to exceed 12 days per year. When the vacation time approved would subsequently interfere with the District's operations, such approval may be rescinded and the vacation time rescheduled. The District will not rescind an approved vacation request if the rescission would cause the employee a forfeiture of a travel deposit or prepayment.
 2. A maximum of 96 hours or 12 days of vacation eligibility may be carried over and taken in the following year. Vacation hours in excess of the maximum of 96 hours, if not used during the year, will no longer be available for use in the following year.
 3. Vacation may not be used to extend time away from work following the 12 weeks allowed for FMLA leave. Vacation leave must be used during FMLA and other illness-related leaves, after sick leave has been exhausted, pursuant to the applicable leave policies.
 4. Vacation days are to be taken in increments of at least 2 hours.
- g. If a holiday for which the Full Year employee is otherwise eligible is observed during the vacation leave of an employee, the holiday is not charged as a vacation day. If a serious illness occurs during the vacation leave, the time

may be charged to sick leave. In these instances, proper medical documentation may be required.

- h. Unused earned vacation is paid to Full Year employees upon separation, provided they have completed at least 12 months of continuous service, have provided at least 4 weeks of prior notice of their voluntary separation or permanent layoff; and have otherwise followed established policies pertaining to leaving employment. Any employee who is discharged shall forfeit all accrued leave days for which they would otherwise be paid. Pay will be computed based on the rate earned at the time of separation.

Section 3 PTO Days

a. Accruals

1. Full-time (Full Year) employees shall earn PTO with pay at the rate of 6.67 hours per month of active employment, to be earned at the end of the first full calendar month of employment for each full month of active employment thereafter (up to 80 hours per year). Active employment for purposes of accruing PTO under this provision is defined as a completed calendar month during which no regular days of work are taken without pay. Also for the purposes of this PTO Day section, a full day shall be regarded as the employee's regularly scheduled workday.
 2. Full-time (Academic Year) employees shall earn 32 hours of PTO per regular academic semester (fall or winter), as of the beginning of each academic semester. When employment begins after the beginning of an academic semester, PTO accrual shall be prorated for that semester. In the event of separation for any reason during a regular Academic Year, however, any prorated portion of such accrual used but not earned shall be due to the District as an overpayment, and shall be deducted from the employee's last pay, if possible.
 3. PTO time may accrue to a maximum of 240 hours based on the employee's regular daily schedule.
 4. Regular part-time employees shall earn PTO days on a prorated basis as compared with their full time counterparts. The maximum hours the employee will be allowed to accumulate will also be prorated.
 5. Unused PTO time shall have no cash value upon termination of employment.
- b. Use of more than 3 consecutive PTO days may require medical documentation.

PTO must be used in half day increments based on your regular daily work hours.

In addition to accrued PTO time, eligible full-time and regular part-time Academic Year employees will receive up to one paid day in each academic year. Eligible full-time and regular part-time Full Year (52 week) employees will receive up to 2 days in each fiscal year. Time earned will be prorated for partial years of service. Unused days, however, will be added to the employee's PTO accrual, subject to the maximum PTO accrual hours allowed. For the purposes of this PTO section, a full day shall be regarded as the employee's regularly scheduled workday.

Section 4 Paid Bereavement Leave Days

Full-time and regular part-time employees may be granted bereavement leave necessary for attending the funeral and dealing with the deceased's affairs when a death occurs in the employee's immediate family. Immediate family is defined as parent, child, spouse, domestic partner, grandparent, sibling, step-sibling, brother/sister-in-law, mother/father-in-law, or step-parent. Up to 3 days will be granted if needed for this purpose. Bereavement leave without pay may be extended beyond the 3 day allotment with the approval of the Human Resources Director (or designee). For the purposes of this Paid Bereavement Leave Days Section, a full day shall be regarded as the employee's regularly scheduled workday.

Section 5 Jury Duty

Full-time and regular part-time employees called to serve on a jury at a court of record will be granted paid leave of up to 10 of their regularly scheduled workdays for this purpose. Paid time off in excess of 10 days will be considered on a case-by-case basis and must be approved by the Human Resources Director. Any per diem compensation received for jury service by the employee on paid jury duty leave will be turned over to the District or, at the District's discretion, setoff against the employee's pay. The employee must keep his/her supervisor informed as to the dates of jury duty, and the supervisor will in turn inform the Human Resources Office so that proper accountability is provided.

Section 6 Military Duty

Full-time and regular part-time employees who must serve two weeks per year with the National Guard or Army Reserve will be granted leave from work with pay for this purpose. Any per diem compensation received by the employee will be turned over to the District or, at the District's discretion, setoff against the employee's pay.

ARTICLE 11 – UNPAID LEAVES OF ABSENCE

Section 1 General Unpaid Leave Policy

All employees may be granted unpaid leaves. Whenever possible, requests for unpaid leave must be made in advance, in writing, to the Human Resources Office and include a statement of the reason for the request. The granting of such requests for unpaid leave is at the District's discretion, and such factors as the employee's record and the impact such a leave will have on operations, will be considered.

- a. Unpaid leaves will normally be for a fixed duration of no more than 30 calendar days, with exceptions due to recovery from illness or disability or other extenuating circumstances considered. Leaves may be extended if requested before their expirations when possible, but for no longer than for a total of 90 calendar days, and not in addition to FMLA leave. The employee will normally be returned to his or her former position upon the conclusion of the leave, if it is available, or a substantially similar position. Failure to return to work as scheduled by the expiration of the leave will be deemed to be voluntary termination of employment.
- b. Subject to the terms, conditions, and limitations of applicable health plans, District sponsored health insurance benefits will continue for the duration of the leave. Employees on unpaid leave, greater than 14 calendar days, are responsible for a prorated monthly premium, based on the amount of unpaid leave, toward health insurance and must forward that contribution to the District on a monthly basis. (For instance, if an employee is on unpaid leave for 23 calendar days in March, then the employee has not worked 74% of that month. As a result, in addition to the amount the employee is normally responsible for per month towards the employee's coverages, the employee also will be responsible for 74% of the amount the District would otherwise contribute towards the premiums for the employee's coverage for that month.) Sick benefits, as may be applicable, will not continue to accrue during an unpaid leave of absence. Earning resumes upon return to active status.
- c. Employees may not engage in any other employment during any leave of absence unless approved by the District in advance. Violation of this requirement may result in termination.

Section 2 Family and Medical Leaves of Absence

The District provides employees who are eligible for leaves under the federal Family and Medical Leave Act in accordance with the requirements of the FMLA. The U.S. Department of Labor's general description of those rights is provided in Appendix of this Agreement. For more details regarding the rights and obligations with respect to FMLA leaves as in effect from time-to-time, including special provisions with respect to instructional staff may be found in the District's Employee Policy Manual. These summaries are provided to provide guidance to employees as to their statutory rights and the procedures they need to follow to exercise their rights. These summaries are not to be construed as providing employees' rights greater or less than what is required by the FMLA.

Section 3 Other Unpaid Leaves

- a. A leave of absence without pay and fringe benefits for up to one year may be granted at the District's discretion upon written application and under the following conditions:

- i. Application for such leave must be filed in writing with the Superintendent or designee at least 3 months in advance whenever possible. The Superintendent or designee may request information documenting the purpose of the leave.
 - ii. If the leave is approved, the applicant shall be given written notice by the District stating that failure to notify the Superintendent or designee by 60 days prior to the expiration of the leave of intent to return or requesting an extension of the leave constitutes an irrevocable voluntary resignation.
 - iii. No pay level increments or seniority credits shall be accrued while on leave without pay of more than one month.
 - iv. Upon return from the leave, the applicant shall be placed in his/her former position, if available if the position is not available, the applicant shall be placed in a substantially similar position, if available and if the employee is qualified for the position. All benefits earned previous to the leave shall be restored.
- b. Unpaid leaves may be requested for such reasons as family needs not covered by the FMLA, to pursue formal education, and other reasons not covered by the FMLA. In addition, if the employee is not FMLA leave eligible, then the employee may request an unpaid leave for reasons covered by the FMLA.

Section 4 Fitness for Duty

- a. Nothing in this Agreement limits the District's right to require an employee to undergo a fitness for duty exam or other medical exam (including drug or alcohol testing). Medical exams required by the District, other than with respect to exams required to determine if an employee is able to return from a leave of absence, shall be at the District's expense by a physician or clinic designated or approved by the District.
- b. Nothing in this Agreement limits the District's right to place an employee on a paid or an unpaid leave of absence.

Section 5 Employees whose group health coverage under the District's sponsored plans is suspended during an unpaid leave may continue their coverage at their own expense as permitted under the Consolidated Omnibus Budget Reconciliation Act of 1985 ("COBRA").

EMPLOYEE RIGHTS UNDER THE FAMILY AND MEDICAL LEAVE ACT

THE UNITED STATES DEPARTMENT OF LABOR WAGE AND HOUR DIVISION

ELIGIBILITY REQUIREMENTS

An employee who works for a covered employer must meet three criteria in order to be eligible for FMLA leave. The employee must:

- Have worked for the employer for at least 12 months;
- Have at least 1,250 hours of service in the 12 months before taking leave;* and
- Work at a location where the employer has at least 50 employees within 75 miles of the employee's worksite.

*Special "hours of service" requirements apply to airline flight crew employees.

REQUESTING LEAVE

Generally, employees must give 30-days' advance notice of the need for FMLA leave. If it is not possible to give 30-days' notice, an employee must notify the employer as soon as possible and, generally, follow the employer's usual procedures.

Employees do not have to share a medical diagnosis, but must provide enough information to the employer so it can determine if the leave qualifies for FMLA protection. Sufficient information could include informing an employer that the employee is or will be unable to perform his or her job functions, that a family member cannot perform daily activities, or that hospitalization or continuing medical treatment is necessary. Employees must inform the employer if the need for leave is for a reason for which FMLA leave was previously taken or certified.

Employers can require a certification or periodic recertification supporting the need for leave. If the employer determines that the certification is incomplete, it must provide a written notice indicating what additional information is required.

EMPLOYER RESPONSIBILITIES

Once an employer becomes aware that an employee's need for leave is for a reason that may qualify under the FMLA, the employer must notify the employee if he or she is eligible for FMLA leave and, if eligible, must also provide a notice of rights and responsibilities under the FMLA. If the employee is not eligible, the employer must provide a reason for ineligibility.

Employers must notify its employees if leave will be designated as FMLA leave, and if so, how much leave will be designated as FMLA leave.

ENFORCEMENT

Employees may file a complaint with the U.S. Department of Labor, Wage and Hour Division, or may bring a private lawsuit against an employer.

The FMLA does not affect any federal or state law prohibiting discrimination or supersede any state or local law or collective bargaining agreement that provides greater family or medical leave rights.

MEMORANDUM OF UNDERSTANDING

As part of the negotiations of the initial collective bargaining agreement between the parties, the parties discussed the desire for laid-off employees to receive notices of postings of unit positions while laid-off but still eligible for recall. To accomplish this, the District will endeavor to accommodate that desire by developing a process consistent with the following:

1. Employees on layoff status may ask to receive via email notices to their personal (non-District) email accounts of any postings in unit positions during the period they are laid-off but still eligible for recall. Such requests must be made in writing and dated and submitted to the Human Resources Office.
2. Employees who so register will be sent notices of these postings at the same time the postings are provided to active employees in the unit.

The District will strive to have this system in place within 60 days of the effective date of the parties' initial collective bargaining agreement. If the District discovers that the implementation of this accommodation is not technically or economically practicable, it will promptly so notify the Union, in writing.
